Recommendation : Approve Amendment to extend Capitol Collegiate Academy's Facility Use Agreement.

Background/Rationale : Pursuant Education Code 47614 ("Proposition 39"), public school facilities should be shared fairly among all public school pupils, including those in Charter Schools. Each school district shall make available, facilities sufficient for the charter school to accommodate all of the charter schools' in-district students in conditions reasonably equivalent to those in other public schools of the district. The Charter Schools pay the District "Facility Use Fees" based on a pro rata share facilities cost for the use of District facilities. The master Facility Use Agreement for future use by all Charter Schools is currently being updated and revised with an anticipated completion date of February 28, 2019. Banteres from June 30, 2019

0. The Amendment eliminates the need for Capitol Collegiate Academy to 39 Facility Request due no later than November 1, 2018 for the school

Financial Considerations : The District will continue to receive from Capitol Collegiate Academy the pro rata share of the facilities costs.
