- x **Review annual progress toward stated metrics** – With the district’s new Data Dashboard, the PAC will have multiple opportunities to participate in the review of district data, including the district Needs Assessment. This group provides advisory input regarding the Annual Update portion of the LCAP.
- x **Synthesize other stakeholder input** –The district will be gathering data from a variety of stakeholders throughout the LCAP process (school site meetings, district community meetings, Public Education Volunteers via the Community Planning Process). This group will review and understand community voice as well as that of their own network so that it helps to inform their discussions on the LCAP.
- x **Provide input and feedback on draft LCAP actions, services and expenditures** – In order to ensure that the Board of Education has the feedback they need to make informed decisions regarding the LCAP, this group will review the LCAP and Annual Update to provide comments regarding these aspects of the draft plan. As required by LCFF, the Superintendent will respond in writing to all comments and questions in advance of presentation of the LCAP to the Board.

Starting in November 2016, the Parent Advisory Committee member will attend an orientation meeting, and then will meet monthly throughout the LCAP planning process.

V. MAJOR INITIATIVES

The California Department of Education is poised to approve a revised LCAP template in January, 2017. It is anticipated that the new document will be framed as a three year, static plan. Additionally, the state is producing Evaluation Rubrics, aligned with the LCAP, to measure progress of districts as well as individual school sites. The new Federal accountability system, Every Student Succeeds Act (ESSA), may also be aligned with LCAP.

VI. RESULTS

The LCAP Parent Advisory Committee will be appointed November 3, 2016, and will begin meeting November 15, 2016
