Division: Legal Department

Recommendation: Adoption of resolution approving adjustments to District’s trustee areas.

Background/Rationale: The law requires that trustee areas be population balanced using the 2020 Census Data. Legal Counsel and a demographer will assist the District in this redistricting process, including drafting and revising maps for consideration by the public and the Trustees.

The District has held three community meetings regarding redistricting on November 30, 2021 (for Trustee Areas 2, 4, and 7); December 6, 2021 (for Trustee Areas 2 and 3); and December 8, 2021 (for Trustee Areas 1, 5, and 6). This is the sixth Board meeting, wherein the Board will adopt a resolution approving adjustments to the boundaries of the District’s trustee areas. The District has shared information regarding this matter with the public through various mediums, including robocalls, e-connections, the District website, and social posts.

Financial Considerations: Costs associated with hiring professional demographers, SchoolWorks, Inc., for analysis.

LCAP Goal(s): Board governance.

I. Overview/History of Department or Program

Sacramento City Unified School District (SCUSD) completed the process to transition from at-large to by-trustee area elections following voter approval in November 2006. SCUSD has seven (7) trustee areas. Each of the trustees is required to reside within a defined trustee area and each trustee is elected only by voters in that trustee area. This type of voting is referred to as by-trustee area or by-district voting.

Every ten years, after the U.S. Census data is released, school districts are required to evaluate whether their current trustee areas have approximately equal populations using the new census data. The variation in total population among trustee areas cannot exceed 10%. If the total peak variat
