- 3.1 *Discussion and Possible Approval of Resolution No. 3230: Authorizing Use of Remote Teleconferencing Provisions Pursuant to AB 361 and Government Code Section 54953* **Action**

Outside legal Counsel Anne Collins of Lozano Smith presented the resolution. She explained the law which was signed on September 15th and which goes into effect October 1st by saying the law authorizes public agencies to continue conducting public meetings remotely during a state of emergency so long as certain requirements are met. She said that the resolution includes the necessary findings to enable the Board to continue its practice of

those relaxed teleconferencing rules and the meetings will be fully in person and the Board will adhere to the old rules should a member attend remotely.

Board Comments:

Member Phillips asked, if this is enacted, 30 days pass, and then the Board does not pass another resolution, will the Board be able go back to remote meetings. Ms. Collins said yes that is possible.

Vice President Murawski asked if we are able to require vaccinations for attendees to come inside the premises for Board meetings as part of the COVID-19 pandemic. President Pritchett answered that her understanding is that the board room is to be considered as a classroom because there is a student board member present at the meetings. So any rules and regulations for the classroom will be the same for the board room. Ms. Collins concurred. Vice President Murawski asked if there is a staff recommendation to move forward on this resolution for any operational conditions the Board should be aware of in terms of moving back to in person meetings. President Pritchett said that she believes by passing this resolution it gives staff the opportunity to provide reinforcements in the board room as is done in the classroom. Superintendent Aguilar gave details on what would be done.

Member Garcia asked to clarify that if the resolution passes today, it gives the Board 30 days to think about how they will move forward. President Pritchett said that is correct.

Second Vice President Woo made a motion to approve the resolution, and Vice President Murawski seconded. The motion passed unanimously.
