Recommendation : Discuss and approve the Budget Calendar for the 2018-19 Adopted Budget time line.

Background/Rationale : While the 2017-18 budget is currently balanced, there are unknowns, such as final settlement with all bargaining units, regarding the final budget for this fiscal year and, until the Governor's budget is provided, the impact on the 2018-19 and 2019-20 budgets are unknown as well. The attached calendar reflects estimated time lines for major activities to ensure a balanced budget on or before July 1, 2018.

Financial Considerations : Education Code section 42127 requires that a balanced budget is submitted on or before July 1 of each fiscal year.

LCAP Goal(s) : Family and Community Empowerment; Operational Excellence

The selection of the single budget adoption process further requires a district to make available for public review, within 45 days of the Governor's signing of the State Budget, revisions in revenue and expenditures that reflect the funding made available by the State Budget Act.

The process of developing a school district budget is an ongoing function that must be addressed by the Board and administration throughout the school year. In order to effectively
