

Public Hearing

Department: Academic Office/Curriculum & Instruction

Recommendation: The Sacramento Board of Education is requested to declare a public hearing, and approve Resolution No. 3108, certifying that funds earmarked for instructional materials are expended in compliance with the Pupil Textbook and Instructional Materials Incentive Act. The resolution ensures that each pupil has sufficient standards-aligned instructional materials consistent with the content and cycles of the curriculum frameworks adopted by the State Board of Education.

Background/Rationale: *Education Code Section 60119 (as revised by Chapter 900, Statutes of 2004)* specifies the governing board shall hold a public hearing on or before the end of the eighth week of the school year. The Board shall make a determination through a resolution as to whether each pupil in the district has sufficient textbooks or instructional materials in each subject consistent with the content and cycles of the curriculum framework adopted by the state board, and to identify the remedy for any insufficiencies.

The attached resolution certifies that each Sacramento City Unified School District student has sufficient textbooks and/or instructional materials in all core subjects that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks. Additionally, the resolution certifies the availability of science lab equipment at grades 9-12.
