

FACT System Modules and Documents

The screenshot displays a web-based interface for the FACT System. At the top, there is a navigation bar with several menu items. Below this, a search or filter area contains a text input field with the value "K-12" and a search button. The main content area is a list of documents and modules, organized into a grid-like structure. The documents listed include:

- Peer-Query / An Reflection
- Individual Induction Plan
- Essential Components for Instruction
- Entry-Level Assessment Resource
- Focus Student Selection
- Lesson Plan Template for Observation
- Entry-Level with Standard
- Analysis of Student Work
- Summative Assessment
- Culminating Questions and Reflections Guide
- Continuum of Teaching Practice
- Self-Assessment of Pedagogy
- Self-Assessment of Universal Access

Each document entry is accompanied by a small icon or thumbnail. The interface also shows some sidebar elements on the left, including a "Learning" section and a "Equity for" section. The overall layout is clean and organized, typical of an educational resource management system.
