Recommendation: N/A

Background/Rationale:

The Sacramento City Unified School District (SCUSD) promotes healthy schools by recognizing the link between student’s health and learning. In order to provide a comprehensive system promoting health and wellbeing for our students, SCUSD is working towards building a coordinated school health system that supports and reinforces health literacy through health education, physical education, health services, nutrition services, psychological and counseling services, health promotion for staff, a safe and healthy school environment, and student, parent/guardian and community engagement.
