

SACRAMENTO CITY UNIFIED SCHOOL DISTRICT

10.1

I. Overview/History

After each federal decennial
census, the U.S. Department of
Commerce, Bureau of Economic
Analysis, in order to meet
constitutional requirements,
needs to evaluate the
current and proposed
state and local government
area boundaries.

The Board President
of Sacramento, on May 14,
2010, requested that the
Board of Education determine
the target population for each
Trustee Area.

The population for each

Trustee Area is:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.

Based on this review

II. Driving Governan

Education Code section 52000
requires that the Board of
Education determine the
target population for each
Trustee Area and adjust
the boundaries accordingly.

Section 52000

III. Budget

No financial
coordination
is required to
implement

IV. Goals, Objectives

The redistricting pro
Education Code and
population among le
have allowed slight p
factors such as prese
similar consideratio
