Recommendation: Approve the 2011-2012 Single Plans for Student Achievement for K-12 schools.

Background/Rationale: Each school participating in state and federally funded programs, per the Consolidated Application (ConApp), is required to develop or update its *Single Plan for Student Achievement*, also known as School Development and Improvement Plan (SDIP), on an annual basis. The stated purpose of the SDIP is to “improve the academic performance of all pupils to the level of performance goals, as established by the Academic Performance Index.” (Ed. Code 64001)

Financial Considerations: Plans outline actions that will be supported with state and federal funds as allocated to each respective site.

Documents Attached:

1. Copies of the SDIPs are available for review in the State and Federal Programs Department, and on the State and Federal Programs Department webpage.
