
ELECTRONICS DEPARTMENT

to identify, assess and monitor the condition of equipment it is the responsibility of the particular schools to follow the procedure set out in this document. To ensure that the equipment is in good condition and to maintain them in a safe and efficient state, the schools should return the equipment to the manufacturer or supplier for repair or replacement if necessary. The schools should also ensure that the equipment is used in a safe manner and that the safety of the equipment is maintained. The schools should also ensure that the equipment is used in a safe manner and that the safety of the equipment is maintained.

ELECTRONICS DEPARTMENT (MOP-W006)
Sacramento City Unified School District

5.7.12 The Supervisor will maintain copies of the completed Work Orders and Fire Alarm Test Reports. The Supervisor will review new repair requests arising from the Preventive Maintenance inspection and will generate the appropriate Work Orders.

5.7.13 Supervisor will forward completed Preventive Maintenance Work Orders to the Facilities Maintenance Office.
